

### November 15, Wednesday

Room	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00	
Theater (Room h)		Plenary Lecture PL5	Plenary Lecture PL6				Symposium S3h1 Structural Aspects of Channel and Transporter Proteins								
A1 (Room c)							Symposium S3c1 Imaging Science for Biophysics			Symposium S3c2 Structural Bioinformatics: Molecular structures as the basis of understanding protein network systems					
A2 (Room d)							Symposium S3d1 Phenotype Dynamics, Fluctuation, and Genetic Evolution			Symposium S3d2 Structural approach to protein dynamics using solution scattering					
B1 (Room e)						BSJ meeting Gender Equality in BSJ	Symposium S3e1 Dynamic Features in Immune System			Symposium S3e2 Molecular Communication: Biologically Inspired Communication Systems for Nano- scale Devices					
B5+B6+B7 (Room f)							Symposium S3f1 Hydration Effects on Structure and Thermodynamics of Proteins			Symposium S3f2 Advances in Anatomical, Functional, and Computational Brain Imaging					
Laguna Garden Hotel												Banquet			
Event Hall		Poster Display 2Pxxx		Poster Presentation 2Pxxx Odd Number	Poster Display 2Pxxx										
		Scientific Exhibition													
Lobby	Registration
